## JANUARY / FEBRUARY NEWSLETTER

Hello PSN members and Happy New Year to one and all.

This is an 'interim' newsletter because we have no January meeting.

Normally the Committee meet in January but this year we are having a holiday!

These photos were taken at Christmas lunch which I think everyone enjoyed.

Kate and her helpers did a great job with the games we played and the prizes received!!

Mandurah Quays Restaurant provided a lovely meal, a good day for us all.....

At Ac-cent where we meet, the re-furbishing continues. Looking forward to seeing the end results. They anticipate re-opening on January 30th, but I have no way of knowing whether the Display Stand for our newsletters will be in the same position etc.

Our scheduled meetings are as follows:-

**Committee Meeting in the Computer Room 1 pm on  
Wednesday 15<sup>th</sup> February 2012**

**GENERAL meeting in the Main Hall 1.30 pm on  
Monday 27<sup>th</sup> February 2012**

**Remember please that there will now be an entry fee of \$2 for all which includes members. This also entitles you to a free door prize ticket (drawn at the meeting end) and afternoon tea.**

The Treasurer and Committee would appreciate small change please.....

We had tentatively arranged comprehensive Training Sessions and computer related Guest Speakers for this coming year so we look forward to confirming these and your attendance at both.

Remember - this is YOUR computer club and without YOU and YOUR presence, the club will not exist.

Input is welcome from all members ie for the newsletter, information giving at meetings, experiences (good and bad).

We are all Seniors and therefore we learn from each other. **Younger** Retirees are beginning to join us, and we would appreciate them teaching us what they know. Our Club needs 'new blood' and more modern teachings for us all to progress and move forward in computing. **Please help us to help you.**

**Reminder:-** the monthly photo critique subject is "something precious". Please send your photo (one per person) to [jthomson222@westnet.com.au](mailto:jthomson222@westnet.com.au)

Jim will save then acknowledge your photo by email. No acknowledgement means your photo was not received - remember to send as a jpeg

## **COMPUTER TIPS:**

Selecting an entire paragraph...if you are using the mouse, Word provides several quick ways to select an entire paragraph. First, you can simply triple-click anywhere within the paragraph. This is perhaps the fastest and most common method of selecting an entire paragraph.

Second, you can move the mouse pointer to the left of the first character in any line of the paragraph you want to select. The mouse pointer turns into an arrow pointing up and right. Double-click the mouse, and the paragraph is selected.

Finally, if you are using the style area, you can also move the mouse pointer into the style area to the left of the paragraph you want to select. Click once on the left mouse button, and the entire paragraph is selected.

If you like to use the keyboard instead of the mouse, you can select the current paragraph by pressing **CTRL+UP ARROW** (which moves the insertion point to the beginning of the paragraph) and then pressing **CTRL+SHIFT+DOWN ARROW**.

### **Caps Lock Key**

If you accidentally press the Caps lock key on your keyboard before typing a paragraph.

When you finish, you find everything in capital letters!

### **The Fix**

Rather than retyping the whole paragraph, highlight the text, then click the “change Case” button (Aa), located on the Home tab in the Font group.

Click “sentence case” to transform your paragraph into normal sentences.

## **SOCIAL:-**

## **SENIORS GIVING BIRTH**

With all the new technology regarding fertility recently, a 70-year-old woman was able to give birth. When she was discharged from the hospital and went home, her relatives came to visit.

"May we see the new baby?" one asked. "Not yet," said the mother. "I'll make coffee and we can visit for a while first." Thirty minutes had passed, and another relative asked, "May we see the new baby now?"

"No, not yet," said the mother. After another few minutes had elapsed, they asked again, "May we see the baby now?" "No, not yet," replied the mother.

Growing very impatient, they asked, "Well, when can we see the baby?"

"WHEN HE CRIES!" she told them. "WHEN HE CRIES?" they demanded.

"Why do we have to wait until he CRIES?"

"BECAUSE I FORGOT WHERE I PUT HIM OK?"

***See you February 27<sup>th</sup> at the General Meeting 1.30 pm***
